

CAROLINA MEDICAL ELECTRONICS

Carolina Medical Electronics Extended Warranty

Extended Warranty/Service Plan

Our Extended Warranty Plan offers our customers peace of mind when it comes to their equipment. This Warranty not only provides insurance for the equipment it also allows you to send your equipment back to the factory **ONCE A YEAR FOR A FULL FACTORY CALIBRATION** to ensure accuracy and repeatability. This service plan was designed for our customers who want to keep their equipment in the best of shape and know their equipment is providing them with accurate results.

This Extended Warranty Replaces the Limited Warranty that is standard with the purchase of new equipment from Carolina Medical Electronics. With this plan you receive the same great service you are accustomed to without the bill. This Extended Warranty Plan is renewed annually by the customer to ensure there is no lapse of coverage.

If you already have a Flowmeter or Probe and would like to purchase this Extended Warranty Plan you can send your equipment in for an initial inspection and if NO problems are found you can purchase the Extended Warranty Plan, but if problems are found they must be fixed by an authorized Carolina Medical Electronics Inc. representative before the Extended Warranty Plan can be purchased.

Annual Calibration Specifications:

1. Through Visual Inspection
2. Through Mechanical Inspection
3. Through Cleaning
4. Pre-Calibration Tests
5. Factory Calibration
6. Post-Calibration Tests

CME specializes in the design, engineering, and manufacturing of quality medical devices.

We merge the latest techniques in software with precision engineering to develop the ideal piece of equipment to meet or exceed your needs.
